THIS IS NOT A PROOF: The low resolution copy of your artwork used on this artwork confirmation is NOT intended as a color accurate proof. There is NO guarantee (written or implied) the colors represented here, whether printed or viewed on screen, will match your final printed colors. Unless specific PMS colors are requested in writing, we print as is using the CMYK color values embedded in your file which can produce unpredictable color results. All PMS colors specified are digitally converted and reproduced in process color using industry standard Pantone® Color Bridge™ CMYK values. Pantone's CMYK colors are not an exact match to their solid spot color equivalents. If your artwork is color critical a printed proof must be ordered and approved before the actual product is produced.
